

## Goodbye Teeth

Paul

May21

I heard today  
A tooth and tooth  
Goodbye to say.

I heard today  
A price and price  
A lot to pay.

I heard today  
Implant implant  
Three month away.

Oh no, oh no.  
Oh yes, oh yes.

I must confess.  
He said it's best  
The teeth to rest.
